Library Learning

In library this week 4W were utilising their time to make a start on their art piece that will be revealed during the Art Show in Week 7. The students learnt about Monet and Matisse and how they use colour to portray mood. They then studied the colour wheel to learn about complimentary and monochrome colours as well as the results of mixing primary and secondary colours. Great work 4W!

Year 7 2020 Selective High Schools

*Applications for placement in Year 7 in selective high schools in 2020 opened on 9 October 2018 and will close on 12 November 2018. **This applies only to our current Year 5 students.** The application form can be filled out online at;*

If you require assistance with this please contact the school.

Principal's Message

Happy Term 4 everyone!

Thank you for welcoming me so warmly into the Glebe Public School community. The school has a wonderful feel, and I look forward to getting to know everyone better and sharing the student's learning journey together.

My first week at Glebe was spent visiting the classrooms, exploring the grounds, and just talking and listening with staff, students and parents. It's been great.

I would like to invite you to have a cuppa with me on Monday morning if you can make it. It will be held under the COLA from 8:30am. See you there.

Have a great weekend!

Working Together

In 2C students have been learning about gradients of colour in Visual Arts and sharing their extensive knowledge about 'children' for an upcoming project in English.

Peer Support Starts Next Week

Week 2 – Being Friendly

We are commencing our Peer Support lessons this week. The whole school participates in Peer Support for 30 minutes each week. Two stage 3 peer leaders facilitate a small group of 8-10 younger students, who work together through a number of structured activities. Each teacher will supervise 2-3 groups in their classroom. We are working on a module called 'Keeping Friends' helping us explore the concept of friendship, build relationships and develop skills in empathy and critical thinking. The module runs for 8 sessions. Our first session enables the children to get to know everyone in their group, agreeing on how they will work together and interact cooperatively with others. They will also begin to think about the meaning of friendship. We encourage you to talk to your children about Peer Support every week as it will help to reinforce the concepts learned in each session.

Multicultural Day

Glebe Public School ended Term 3 on a high note with the celebration of Multicultural Day. It was wonderful to see so many students dressed in their national costumes and so many parents and carers bringing along different food representing the diverse cultures we celebrate. A big thank you to you all and to the many helpers who enable this to be a great social day.

P&C News

Glebe P&C in Term 4

Hello and welcome all, new and returning, members of our wonderful school community. It's Term 4 already and that means the usual chaotic line-up of activities, events and general fun times in the run up to the festive season. I am pleased to confirm that our major fundraisers for the year are done and dusted, so there will be more focus on simply connecting with community and fewer requests for donations and volunteers this term (though we will stay true to form with the odd call-out).

A few dates for the diary (with more to come):

- Tuesday, October 30 @ 6.30pm: Next P&C meeting - Join us in the staff room for a catch-up on the doings of the P&C and school in general.
- Tuesday, December 11: School presentation assembly @ the Seymour Centre
- Sunday, December 16: School choir performance at Glebe Society Christmas Party

Welcome to Ms. Melinda Sikora

Glebe P&C extends a warm welcome to our new school principal! Her excellent reputation precedes her and we look forward to working together over the coming months and beyond. Welcome Ms. Sikora!

Centipede Family Pantry

Thank you to all the families who donated to the new Glebe Family Pantry last semester. We had a great response to the call out for pantry items and will be continuing to reach out each week for donations to keep it stocked with essential food and personal items. The much needed items are in **bold**.

People can drop off items to Centipede between 7am-6pm, Monday-Friday's during term. The pantry will be open for access during Centipede opening hours. It's located near the sign in table in Centipede. People can either help themselves to items in the pantry or contact one of the Centipede staff who can put together a bag of items for you. THANK YOU!</p>
