Last Day of School

## *Working Hard in 2E*

2E has been busy at work, planning and setting out the ground work for our mural. Painting will begin over the next few weeks!

In our numeracy groups, we have been practising trading units when we do addition and subtraction. We used the MAB blocks to help us see the trades we were making.

## *Newsletter via the School's Email*

Glebe Matters is now delivered to parents via email from the school's email address. Please let us know if you would still like a paper copy, or just duck into the office and grab one. Also, please let us know if you received it in multiple email addresses, and advise us which one to use.

Thank you!

### *Principal's Message*

*I can't believe we are half way through term 4 already. Christmas is coming everyone. Hold onto your hats.*

*Each week the teachers meet for some professional learning. Much of our focus this term has been on Formative Assessment. Formative Assessment refers to a wide variety of strategies teachers use to check how students are going during a lesson. Most of the professional learning sessions are run by our very own talented teachers here at Glebe PS. If you would like to know more about Formative Assessment [Dylan Wiliam](#) is an expert. Click on the link provided.*

### *School Rules*

*Be Safe*

*Care for Others*

*Respect Property*

*Learn Together*

### *Technology Day*

Thank you for putting together a great technology day Year 6!

### *Peer Support*

#### Week 6 – The Best Way to Play

During Peer Support this week the children will be looking at how to play in a friendly way in order to maintain friends and build positive relationships. Through various activities children will discover the importance of taking turns and having consistent rules throughout a game.

This week help your child practise these skills by encouraging them to play games with siblings, family or friends.

### *Gymnastics Fun*

This term each class is participating in a Gymnastics program run by Got Game. They are learning lots of new skills, and it's great fun too.

### *Chinese Club*

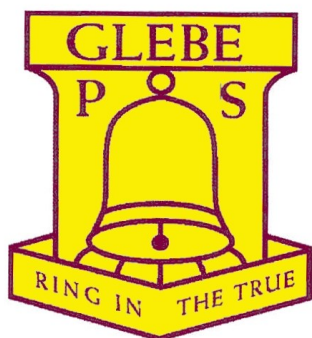

This week's Chinese Club had lots of fun. They are making great progress learning Chinese, both in writing and speaking.

Chinese Club is held every Tuesday at lunch time, and anyone from years 1 to 6 is welcome to join.

### *Our Shared Vision*

*To nurture confident, capable, resilient students who are inquisitive about the world and learn with meaning and purpose.*

It's located near the sign in table in Centipede. People can either help themselves to items in the pantry or contact one of the Centipede staff who can put together a bag of items for you. <b>THANK YOU!</b></p>

## Remembrance Day

Remembrance Day was on Sunday the 11th of November, so on Monday, some of the student leaders laid a wreath at our war memorial in memory of those who have suffered in war.
