Year 3 have been exploring Visual Literacy this term. Visual Literacy is the ability to interpret and make meaning from images. We have read and examined many picture books and learned about the concepts of symbols, colour, and demand and offer gaze. We used the text 'Mirror' by Jeannie Baker to inspire some collages of environments that are special to us.

Newsletter via the School's Email

Glebe Matters is now delivered to parents via email from the school's email address. Please let us know if you would still like a paper copy, or just duck into the office and grab one. Also, please let us know if you received it in multiple email addresses, and advise us which one to use.

Thank you!

Principal's Message

Hi everyone!

With the end of the year fast approaching planning has begun for 2019. **Please notify the school if you are saying goodbye to Glebe PS next year, or you are extending your holiday and returning late.** Thank you!

Next Tuesday evening is the last P&C meeting for 2018. At this meeting we will be presenting our outstanding NAPLAN results. I hope to see many of you there.

Also, next Thursday is the inaugural Da Glebe Da Vincis, a fantastic event showcasing art and pizza. The fun begins at 5pm in the playground.

Chess Tournament

On Friday, 16th November, Glebe Public School was proud to host and participate in the Inner Western Schools Chess Tournament organised by Richard Gastineau-Hills. Our Chess Club participants have been working hard this year under the fantastic guidance of local volunteer, Weng Nian Siow. Glebe PS entered 5 teams in the tournament this year. It was a long and enjoyable day, with 8 games played by each player! Two of our teams placed second and third, and we will be thrilled to be sending a representative team to the State Finals on Sunday 25th November in North Sydney. Please join us in wishing them all the best. Well done to all players!

Peer Support

Week 7 – Joining In with Others

In this week's Peer Support session the children will be exploring how to join groups and how to accept others into their friendship group. The activities will give the children a chance to practise these skills, as well as how to say no in a respectful way, cope with being told no and inviting others to join them.

Encourage your child to discuss with you the importance of saying no to people in a respectful way so that they don't lose friends. Also discuss with your child various options they have at school if they should find themselves without anyone to play with during break time.
