Presentation Assembly

*This year's Presentation Assembly was a wonderful celebration of a great 2018.
Thank you 2018 student leaders, and congratulations 2019 student leaders.*

Principal's Message

This is the last edition of Glebe Matters for 2018. What a year it has been.

The following is from my Presentation Assembly speech:

I'd like to take this opportunity to thank my very hard working and extremely dedicated teaching staff for their effort and commitment throughout the year. They work tirelessly to develop quality programs that cater for each individual child's needs and interests. Thank you to the executive team, Bryce, Dom, Jess & Tim, for their wonderful leadership.

Our non-teaching staff work tirelessly too. Thank you for helping to organise the school, which in turn helps improve student outcomes also. I'd like to particularly mention Susan and Carmel in the office. Thank you for your warmth and talents, they are greatly appreciated.

Also, thank you Kate from Treehouse and Vic & Jen, from Centipede. These fabulous services help make Glebe great.

Glebe PS is blessed to have such an amazing staff team, so when people leave us, it's always a little sad. On behalf of all of us I'd like to wish Mr James Lee all the best, as he heads off to Queensland for a new adventure. Also off on a new adventure is Ms Rachael Spitzer. You will both be greatly missed.

I'd also like to thank the parent community, and in particular our amazing P&C, for their support of the school. To Verity, Rachel, Cate, Alicia & Antonia, along with all the members, thank you. The P&C have worked extremely hard this year, organising many fantastic events and activities. Their fundraising efforts have been amazing. They have generously given to school more than \$25 000 this year. Wow, thank you, and congratulations!

I'd also like to thank the wider Glebe community for their support of the school. We have numerous services connected with our school, all of whom help to continually improve student outcomes. Thank you.

And last, but definitely not least, thank you and well done to the students in 2018, who everyday demonstrate our motto "Ring in the True", and strive to achieve their personal best.

Much was achieved and celebrated in 2018 at Glebe. This year saw outstanding NAPLAN results. Students at Glebe are achieving above State averages in all areas of Literacy and Numeracy.

Some special events at Glebe included: The New Playground Grand Opening, Book Week, NAIDOK Week, Multicultural Day, and our recent Da Glebe Da Vinci Mural Art show.

Students at Glebe Public School have participated, and excelled at: zone, regional and state sports carnivals, Choir, Public Speaking, the Spelling Bee, Chess, Yarn Up, and much, much more.

All this has been achieved during the rather disruptive heritage works being done on our main building. Well done Glebe Public School!

Finally, I, along with the staff, would like to congratulate the Year 6 class of 2018. We wish you well as you continue your learning journey into Year 7 and we know you will make us proud.

Each year, schools throughout NSW ask their communities for feedback through the form of a survey. We want to know what you think, feel and envisage for your school. Please take 5 minutes to complete a short Survey Monkey. The more responses we get, the better equipped we are to make good decisions about the education of your children. Please click on the link below to participate. Thank you in advance!

P&C News

Thank you to Glebe PS staff

As the year draws to a close, on behalf of the P&C I would like to thank our hard-working teachers, executive leadership team, admin and all other support staff that keep the wheels of GPS turning. This week's Presentation Assembly was a beautiful celebration of all that you do and all that our children have achieved throughout 2018 - academically, creatively and socially. Thank you for the teaching and for the memories!

More thank-yous

There are too many of you to name, but the P&C extends a broad thank-you to all of those who have supported our endeavours throughout the year: parents and carers that have attended meetings, baked cakes, written grant proposals, turned snags at BBQs - the list goes on. To the staff, Mr. Walker and Mrs. Sikora for always being there and providing excellent guidance and support. To the local businesses that have donated prizes and cash towards our various causes - again, too many to name. And to the kids of Glebe PS, for whom we do all of this and who continue to do us proud.

We say goodbye to some of Glebe's finest this year . . .

On a sad note, 2018 sees the departure of some of the P&C's core members as they move on to new adventures:

Kylie & Carol Adams have been the backbone of many a fundraiser and community event, all the while volunteering their time to numerous other causes within Glebe. They will be much missed going forward, and future Christmas cake stalls won't be the same without Carol's famous fruit cakes!

Carmen Betteridge and her family have contributed much to Glebe PS over the last seven years, and become irreplaceable friends to many. Whilst they will leave a significant gap in the community, we wish them all the best in the next chapter of their lives. Safe travels!

Merry Christmas all 😊

Rachel - VP

Our Shared Vision

*To nurture confident,
capable, resilient
students who are
inquisitive about the
world and learn with
meaning and purpose.*
