

# GLEBE MATTERS

**Week 5  
Term 4, 2019**

**Friday, 15th  
November**

## Calendar of Events

November	
11-15th	National Recycling Week
17th	Community Working Bee (Sunday)
December	
6th	Presentation Assembly
11-13th	Year 6 Camp
18th	Year 6 Graduation
18th	Year 6 Lunch
18th	Last day of Term 4

## School Rules

*Be Safe  
Care for Others  
Respect Property  
Learn Together*

## Principal's Message

It has been a busy and productive week at Glebe Public School with lots of exciting and engaging teaching and learning programs taking place.

### School Band 2020

I am currently looking at the possibility of commencing a Glebe Public School Band in 2020. As a starting point, I would like to gauge which of our students (and parents!) play an instrument and to what level—beginner, intermediate or advanced.

If you or your child are interested in being part of the band in 2020, please email the following to [glebe-p.school@det.nsw.edu.au](mailto:glebe-p.school@det.nsw.edu.au) with the email subject: School Band 2020

- Your/Child's name
- Type of instrument played
- Level of ability

### School Satisfaction Survey

Thank you to those who have already completed the 2019 School Satisfaction Survey—we have had over 60 responses in a week! From the surveys I have viewed so far, there have been excellent suggestions as to how we can continue to develop the school further, with some of these suggestions being able to be implemented this term. If you have not completed the survey as we value your feedback and information you provide supports our planning for 2020. There are several ways you can complete the survey:

- Use the link below
- Access the survey through our Facebook page
- Collect a hard copy from the school office and return to the collection point in the office

<https://www.surveymonkey.com/r/QTBDWGB>

### Skills and Expertise in Our Community

We are incredibly fortunate to have a parent community that has a wide range of skills and expertise that can add value to the teaching and learning programs at Glebe Public School. Some of these areas include carpenters, artists, musicians, doctors, scientists, landscapers, authors, just to mention a few. If you are be interested in sharing your skills with our students, please let me know!

**Have a lovely week!**

*Bryce Walker R/Principal*

[bryce.walker@det.nsw.edu.au](mailto:bryce.walker@det.nsw.edu.au)

## Positive Behaviour for Learning (PBL) at Glebe Public School

As part of commitment to ensuring a positive, engaging and successful school experience for all students, Glebe Public School has started our journey as becoming a PBL school.

Today we had our first meeting and we look forward to sharing more information with you over the coming weeks, as parent and community involvement is a pivotal part of this program.

In the meantime, below is some general information about PBL

There are three specific aspects to PBL:

- **universal focus** – to create a preventative, positive learning environment for all students
- **targeted interventions** – to improve social-emotional skills for students who need additional support
- **individualised intensive supports** - for students who have experienced academic and behavioural difficulties over an extended period of time.

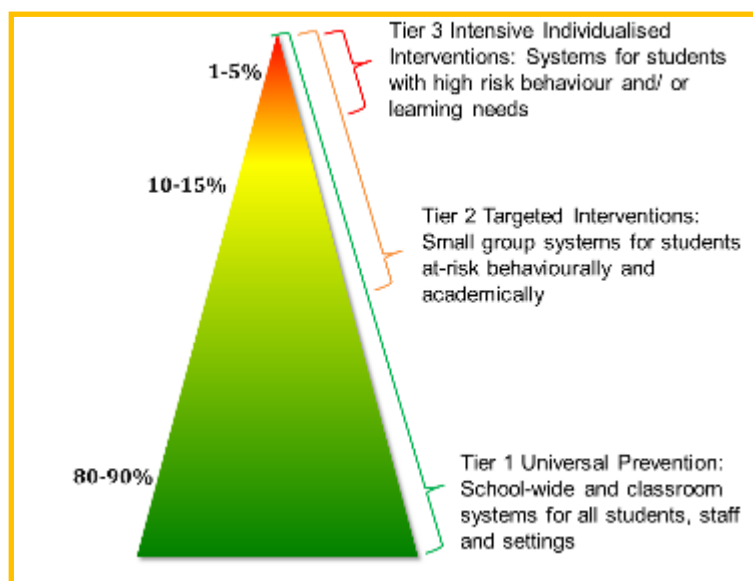

Together, this three step process is known as developing a continuum of support. PBL uses a tiered intervention framework which uses varied levels of support for students based on their needs. The tiered approach addresses these needs through:

- investing in prevention for all students
- identifying and providing targeted supports for individual students who need more support
- providing individualised and intensive interventions for students with significant support needs.

Each school develops a continuum of support across the tiers that promotes student wellbeing within a school culture strongly focused on learning.

Through this framework, student assessment and instruction are linked to inform data-based decision-making. All children and young people receive universal support and instruction. If students need more support, their instructional program becomes more intensive and individualised to target their specific learning needs.

Additional information can be found at:

In Week 3, Kindergarten went to **Wildlife Sydney Zoo** at Darling Harbour to extend their learning in Science and to create an interest base for informative writing in English. They had an absolute ball! The students were

able to gently touch a snake and a blue tongue lizard to

feel the difference in the skin texture. There was much excitement around seeing the enormous crocodile and it took great courage to climb under

the water to see it closely. We were so lucky to be able to pat some joeys, see the wombats sleeping in their burrow and

find so many mini beasts! It was an awesome adventure!

Next Kindergarten had some time to explore the waterpark at Darling Harbour. It was fantastic to watch the students working together to problem solve, experiment with

different ways the water could flow and what to do to get more water down the channels. This was meant to be a short break to wait for the bus however, we overheard on the way home that "The water park made it the best day ever!" We found it hard to disagree as the teachers all took their shoes off and paddled in the water along side the children. It was an amazing day out!

### Follow us on Twitter

Glebe Public School now has a Twitter account!  
Follow us @GlebePublic

### Share The Dignity Student Project

In Term 4 several Year 5 girls are leading a campaign on behalf of all Year 5 to create Share the Dignity bags for girls and women experiencing homelessness and domestic violence. We are asking for donations by 25 November of the following items so dignity bags can be made up. Please drop donated items in the box provided in the office or to the 5W classroom:

The following is a list of the type of things that are needed:

handbags/tote bags  
toothbrushes  
toothpaste  
hairbrush  
soaps  
shampoo/conditioner  
women's essentials e.g. pads and tampons  
Moisturiser

By Jemima, Scarlett and Dacia

### **counselling and Psychology**

If you feel you or your family are experiencing any difficulty we have a partnership with USYD Psychology Clinic (Brain & Mind Centre). They are offering our community discounted rates at \$12.50 for pensioner / concession or \$25 if you are working. They also run psychometric tests which are often requested by paediatricians. Feel free to call and book in a session at (02) 9114 4343 or chat with Helen Michael or Kate Brennan for any enquiries.

<https://sydney.edu.au/brain-mind/patient-services/psychology-clinic.html>

### **Primary Ethics Teacher Volunteers Needed!**

From next term we are facing a shortage of ethics teachers at Glebe PS, which will mean some of our current ethics classes may not be able to run.

The Primary Ethics curriculum aims to help children develop a life-long capacity to make well-reasoned decisions. Children are encouraged to think about the impact of their actions, on the people close to them and also on the broader community. Lesson plans are provided by Primary Ethics and have been approved by the Department of Education. The classes are facilitated by volunteer teachers who received full training through online modules and a comprehensive 2 day workshop.

If you are interested in being a Primary Ethics teacher, or you are keen to ensure that your child continues the program then please apply via the **Primary Ethics website** ([primaryethics.com.au](http://primaryethics.com.au)) or speak to **Kait Gotham** (mum of Ilias 4B and Asher 1C) for more information (0409 459 057).

### **P&C News**

#### **Community Working Bee**

Please join us this Sunday 17 November

8:30am – 2:00pm for a working bee at school including BBQ lunch. Kids are welcome to come too!

Any time & enthusiasm you can spare will be well spent getting to know members of our school community and helping to make the school grounds better by, for example, gardening and clearing out the canteen.

If joining us for BBQ lunch (from about 12.30) please think about bringing salad to share plus your own reusable bowl & cutlery (to reduce waste).

Whether or not you can attend, if you have any queries or suggestions, please email [committee@glebeschool.org.au](mailto:committee@glebeschool.org.au)

If you want to help Jeroen with BBQ &/or serving, please also email us.

#### **P&C meeting 26 November**

The next and final 2019 P&C meeting is 6pm Tuesday 26 November - at school in the office building. Please join us to discuss Glebe Public in 2020! If you will be bringing kids, please email how many to [committee@glebeschool.org.au](mailto:committee@glebeschool.org.au)

#### **Save the date**

The school Presentation Assembly is on from 12.30pm Friday 6 December at the Seymour Centre. I recommend coming if you can spare the time. It is a wonderful celebration of some of the many things that Glebe Public students, staff and helpers have achieved throughout the year, including wonderful performances - for example, by the school choir.

#### **2019 Parent and Carer School Satisfaction Survey**

It only takes 3-5 minutes!

<https://www.surveymonkey.com/r/QTBDWGB>

Have a good weekend

Cate

Vice-President

## Imagination Playground...

Our Imagination Playground has been building and building. Our students are often deep in discussions about plans for building projects, negotiations

around equipment use and how to incorporate the natural environment with the 'man made' products. Compromises, cooperation, and consultations are held in high regard

and being fair is a huge consideration when wheeling and dealing in items within the area.

We are seeing many trampolines – both open and enclosed, houses, forts and areas to have private discussions with peers being created. Each week these places of interest have been added to, re-modeled and moved from one location to another to find the 'perfect spot'. Many brains working together is what it is all about.

For us as teachers, seeing the progress the students are making in all these areas is nothing but a pleasure. It is delightful to see all ages working together, thinking aloud, lessons being learnt and sold comrades being made. It is becoming more and

more apparent that our students are certainly the thinkers of tomorrow!

## Road Safety

Over the next week, all classes will revisit road safety as part of their learning in Personal Development, Health, Physical Education (PDHPE). It is vital that all students have a solid understanding of road safety.

A summary of the content that will be covered is in the flyer below. Please take the time to discuss these messages with your child/children at home.

# Key road safety messages

At school, your child will learn about road safety as part of Personal Development, Health and Physical Education.

Help them practice the road safety messages they will learn at school by sharing them whenever you are out and about.

Early childhood	Early Stage 1 & Stage 1 (Kindergarten – Year 2)	Stage 2 (Years 3 & 4)	Stage 3 (Years 5 & 6)
Pedestrian safety			
<ul style="list-style-type: none"><li>• Always hold a grown-up's hand</li><li>• When a grown-up's hand is not available, hold a pram, bag or clothes</li><li>• Always cross the road with a grown-up</li></ul>	<ul style="list-style-type: none"><li>• Hold a grown-up's hand when you cross the road</li></ul>	<ul style="list-style-type: none"><li>• <i>Stop! Look! Listen! Think!</i> every time you cross the road</li></ul>	
	<ul style="list-style-type: none"><li>• Hold a grown-up's hand when you're on the footpath</li><li>• Hold a grown-up's hand when you're in a car park</li></ul>	<ul style="list-style-type: none"><li>• Use a safe place to cross the road</li></ul>	
Passenger safety			
<ul style="list-style-type: none"><li>• Always buckle up safely</li><li>• Always stay buckled up – awake or asleep</li><li>• Always get in and out of the 'Safety Door'</li></ul>	<ul style="list-style-type: none"><li>• Click, clack, front and back</li><li>• Always buckle up safely</li><li>• Get in and out of the car on the footpath side</li><li>• Wait till the bus has gone and then use a safe place to cross the road</li></ul>		
Safety on wheels			
<ul style="list-style-type: none"><li>• Always wear your helmet when riding your bike or wheeled toy</li><li>• Always ask a grown-up where it is safe for you to play</li></ul>	<ul style="list-style-type: none"><li>• Always wear a helmet when you ride or skate</li></ul>		
	<ul style="list-style-type: none"><li>• Ride your bike away from the road</li></ul>	<ul style="list-style-type: none"><li>• Ride your bike away from busy roads</li></ul>	

## National Recycling Week at Glebe PS!

This week we took part in National Recycling Week.

Our students started the week with a presentation from OzHarvest, which was a fantastic opportunity to learn about sustainable food practices. The highlight of the week was the roll out of our new recycling equipment across the school.

As a school, we are excited to keep our recycling journey happening and are currently investigating other initiatives and practices that we can take part in so our impact on the environment is as minimal as possible. If you have any ideas or suggestions, please let us know!

## Geography in Class 4B

4B have been learning about the Murray Darling Basin and The Great Dividing Range. They have been exploring how these natural features were caused and how they support the ecosystems throughout them.

# ALL AGE MUSIC SCHOOL

## JANUARY 2020 SCHOOL HOLIDAYS

Let us turn your kids into **MUSICAL SUPERSTARS** while you work or rest

### MUSIC CAMP JANUARY

**BOOK EARLY! Music Camp always SELLS OUT**

Each day offers different workshops, activities, songs, special guest teachers and instruments.

*Songwriting - Instrumental Discovery - Workshops - Perform*

### AGE 5-7

**Thurs 16 Jan, 9.30 - 12pm @ Stanmore**

Wouldn't it be great to see your child strum and sing their favourite songs around the house? Our new and improved Uke and Sing Workshop will do just that.

**\$60.00 Per Student (includes morning tea)**

**INFO & BOOKINGS 8006 0363 / [www.allagemusic.com.au](http://www.allagemusic.com.au)**

Lvl 1, 74 Parramatta Rd, Stanmore

2B/391 Enmore Road, Marrickville

### Outstanding Work Across the School

During the week, I ask teachers to send students to visit my office and show me the work they have been undertaking in class. This is an opportunity for me to hear about the learning that is taking place and engage in conversations with students about the relevance of this learning. I am continually impressed with the ability of our students to articulate the purpose of their learning and the confidence they display in doing so.

It's located near the sign in table at Centipede.</p> <p>People can either help themselves to items in the pantry or contact one of the Centipede staff who can put together a bag of items for you.</p> <p><b>THANK YOU!</b></p>

### School Plan 2018 –2020

Next time you're visiting the school, please have a look at our School Plan display near the School Office. It provides information about our Strategic Directions for 2020 and our achievements of 2019.

Glebe Public School

## *Community Working Bee*

Sunday, 17<sup>th</sup> November

8:30am – 2:00pm

On Sunday, 17<sup>th</sup> November the P&C will be hosting a Community Working Bee at Glebe Public School.

This is a wonderful opportunity for our community to come together and work on some projects around the school such as gardening, planting flowers (we will have over 100!), building a shed for the Imagination Playground and other items that have been identified as needing to be done. The day will conclude with a P&C hosted BBQ at 1:30pm under the COLA/Basketball area.

If you have some time to spare, we would love to see you there! Please visit the school office to register your availability for the day! Children are welcome to attend and support!

We hope to see you there!

Bryce Walker  
R/Principal
