Principal's Message

Staff Wellbeing Week

This week the Leadership Team hosted 'Staff Wellbeing Week'. The purpose of this week was to have a focus on the wellbeing of our staff and coincided with the Department of Education's launch of the 'Being Well' initiative. Being Well empowers staff to manage their own wellbeing and enable them to contribute towards a healthy workplace culture.

We started the week with a breakfast hosted by the school leadership team, participated in after school meditation, and checked in with each other to ensure we were having a good week. It was a great way of making sure that our wellbeing is looked after.

Thank you to Our Practicum Students

Thank you to our wonderful practicum students who have been with us this year. They have done a wonderful job and have become part of our school and community. We wish them all the best for their teaching careers.

2020 Planning

The school is engaging in preliminary planning for 2020. This planning includes options for class organisation and structure as well as staffing and student placement. Parents can assist in this process by notifying the school if your child is not expected to return to the school next year. Similarly, if you are taking extended leave and are unlikely to return by the beginning of the school year, it is important that you notify the school in writing, so that a class placement is held for your child.

The class placement process is completed by teachers of the current year level (i.e. Year 4 teachers confer on Year 5 class groupings) and is overseen by the school leadership team. A substantial amount of time is put into this process considering the academic, social and emotional needs of each child. Other factors to be considered include ensuring a balance of students at each academic level within the class, friendship groupings and specific student needs. At times, there is particular information that you as a parent, may like considered as part of this process. While it is not always possible to accommodate specific requests, we do always carefully consider information shared by parents.

With this in mind, if you would like to share some information or a request to inform the 2020 class placement process, please email me at bryce.walker@det.nsw.edu.au. It is important that this information is emailed by Monday 2 December. Thank you for your cooperation.

Have a lovely week!

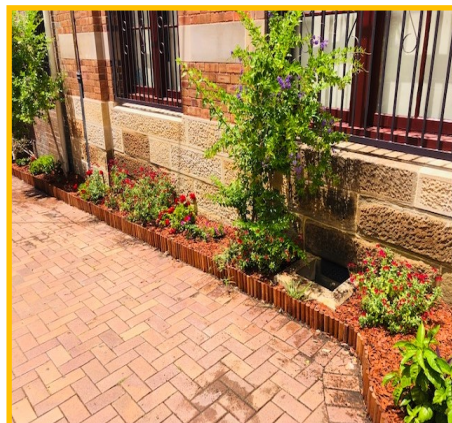

Bryce Walker R/Principal

bryce.walker@det.nsw.edu.au

Community Working Bee

The Community Working Bee last Sunday was a HUGE success! I continue to be impressed by our wonderful community who support our school on a daily basis. The gardens are looking fantastic and we look forward to having more events like this in the future. Thank you to everyone who supported this event!

"People coming together as a community can make things happen" - Jacob Rees-Mogg

Outstanding Work Across the School

During the week, I ask teachers to send students to visit my office and show me the work they have been undertaking in class. This is an opportunity for me to hear about the learning that is taking place and engage in conversations with students about the relevance of this learning. I am continually impressed with the ability of our students to articulate the purpose of their learning and the confidence they display in doing so.

Aboriginal Parents and Carers Breakfast

On Monday, Aunty Wendy hosted a breakfast for our Aboriginal Parents and Carers. The purpose of this breakfast was have a chat about things that are taking place at the school and gain valuable feedback about areas that may require additional focus as we move towards 2020.

It was wonderful to have the Aboriginal Wellbeing Team, from the Department of Education attend and support this breakfast.

Thank you to everyone who attended!

Blackwattle Bay Visit Class 3/4W

3/4W would like to thank Jess Thompson and the students from Blackwattle Bay who came to share their experiences from their visit to Maliana in Timor Leste. It was a very informative and engaging presentation and a great way for 3/4W to learn more about the local school and the area, who they wrote letters to earlier in the year. Thank you also to Lidia Henriques from the Timor consulate in Sydney who is from Raifun Suco in Maliana for giving up her time and talking to the students as well.

This was all facilitated by Maire Sheehan who has strong ties to Maliana through her charity work and is looking to form an ongoing relationship between the two schools. We look forward to the friendship growing more in the future.

School Satisfaction Survey

CLOSES ON FRIDAY 29TH NOVEMBER

Thank you to those who have already completed the 2019 School Satisfaction Survey—we have had over 60 responses in a week! From the surveys I have viewed so far, there have been excellent suggestions as to how we can continue to develop the school further, with some of these suggestions being able to be implemented this term. If you have not completed the survey as we value your feedback and information you provide supports our planning for 2020. There are several ways you can complete the survey:

- Use the link below
- Access the survey through our Facebook page
- Collect a hard copy from the school office and return to the collection point in the office

Share The Dignity Student Project

In Term 4 several Year 5 girls are leading a campaign on behalf of all Year 5 to create Share the Dignity bags for girls and women experiencing homelessness and domestic violence. We are asking for donations by 25 November of the following items so dignity bags can be made up. Please drop donated items in the box provided in the office or to the 5W classroom:

The following is a list of the type of things that are needed:

handbags/tote bags
toothbrushes
toothpaste
hairbrush
soaps
shampoo/conditioner
women's essentials e.g. pads and tampons
Moisturiser

By Jemima, Scarlett and Dacia

counselling and Psychology

If you feel you or your family are experiencing any difficulty we have a partnership with USYD Psychology Clinic (Brain & Mind Centre). They are offering our community discounted rates at \$12.50 for pensioner / concession or \$25 if you are working. They also run psychometric tests which are often requested by paediatricians. Feel free to call and book in a session at (02) 9114 4343 or chat with Helen Michael or Kate Brennan for any enquiries.

<https://sydney.edu.au/brain-mind/patient-services/psychology-clinic.html>

Primary Ethics Teacher Volunteers Found!

We've had a great response on our need for volunteer teachers to support our Primary Ethics program, and have four new teachers progressing through training. They should be ready to teach in first term 2020. Thank you to everyone who responded!

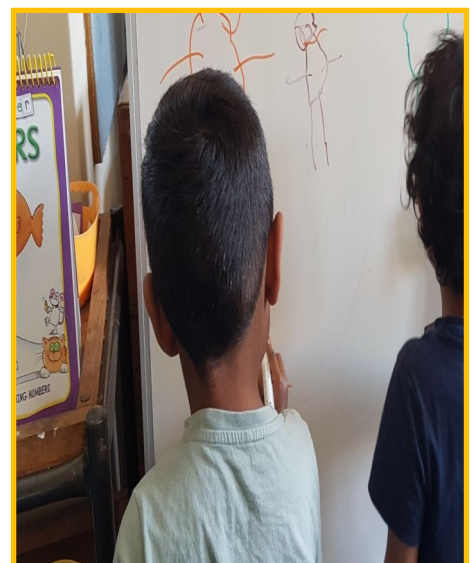

If you'd like to know anything more about the Primary Ethics program at Glebe, you can find a wealth of information on their website <https://primaryethics.com.au/parents/> or have a chat with Kait Gotham - Glebe PS Primary Ethics Coordinator (and mother of Ilias Y4 + Asher Y1)

Best
Kait

Headstart Graduation Ceremony

We look forward to seeing Headstart families at the graduation ceremony, Friday 29th November, 11.35am in the school hall. Please bring a plate to share and join us after the ceremony for a Headstart picnic in the school playground. Thank you!

Ms Callen—Headstart Teacher

Positive Behaviour for Learning (PBL) at Glebe Public School

As part of commitment to ensuring a positive, engaging and successful school experience for all students, Glebe Public School has started our journey as becoming a PBL school.

Today we had our first meeting and we look forward to sharing more information with you over the coming weeks, as parent and community involvement is a pivotal part of this program.

In the meantime, below is some general information about PBL

There are three specific aspects to PBL:

- **universal focus** – to create a preventative, positive learning environment for all students
- **targeted interventions** – to improve social-emotional skills for students who need additional support
- **individualised intensive supports** - for students who have experienced academic and behavioural difficulties over an extended period of time.

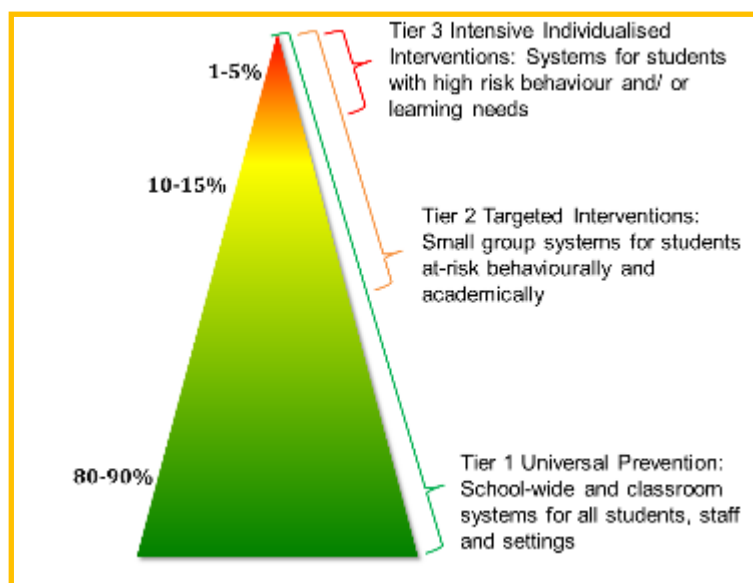

Together, this three step process is known as developing a continuum of support. PBL uses a tiered intervention framework which uses varied levels of support for students based on their needs. The tiered approach addresses these needs through:

- investing in prevention for all students
- identifying and providing targeted supports for individual students who need more support
- providing individualised and intensive interventions for students with significant support needs.

Each school develops a continuum of support across the tiers that promotes student wellbeing within a school culture strongly focused on learning.

Through this framework, student assessment and instruction are linked to inform data-based decision-making. All children and young people receive universal support and instruction. If students need more support, their instructional program becomes more intensive and individualised to target their specific learning needs.

Additional information can be found at:

P&C News

Weekend working bee - thanks to the champions!

Cheers to all who attended last Sunday's working bee to beautify the school grounds, especially Cate S. for her never-failing enthusiasm in organising the day. Our gardens are looking lovely for summer!

Final meeting for 2019 - Tuesday, Nov. 26th @ 6pm

Join us for the last P&C meeting for 2019. We will be meeting in the Winaangaay Room (near the school office) next Tuesday evening. For those who need to bring children along, our childcare arrangements have changed slightly - please let us know in advance how many kids require care by flicking an email to: committee@glebeschool.org.au.

Support Centipede this Saturday, 9am - 3pm

Centipede OOSH is holding a community fundraising bake sale this weekend. Drop off your baked goods for donation or simply come by to make a tasty purchase at: 154 Bridge Road, Glebe between 9 and 3 this Saturday, Nov. 23rd. Funds raised will go back into supporting the wonderful work of Centipede out-of-school hours service, our not-for-profit onsite care provider.

Do you have skills to share?

The P&C is looking for a few keen volunteers to help out with specific projects going into 2020, as new opportunities arise and some of our old hands move on as their children reach high school. If you are interested in either of the following, please reach out . . .

Do you have a background in theatre/stage production? We're looking for someone to help out with co-ordinating future school Presentation Days (from 2020). Presentation Day is held every December at the Seymour Centre and involves liaison with the venue regarding stage effects, lighting, refreshments and so on.

Do you have knowledge or experience of water/energy auditing? We could use your help regarding upcoming sustainability projects. If you'd like to get involved in either of these things, please email or come and have a chat with us.

Glebe P&C email address: committee@glebeschool.org.au.

Cheers

Rachel - VP

Air Conditioning Update

Under the Cooler Classrooms program, Glebe Public School was successful as a school to receive air conditioning. We have received notice from School Infrastructure that these works will commence after June 2020. We are currently investigating interim measures to ensure that classrooms and teaching spaces are comfortable for our staff and students.

Financial Literacy Incursion

This week our senior students participated in a Financial Literacy incursion. Students learned strategies to save money, how to achieve a savings goal and develop a small business plan.

Road Safety

Over the next week, all classes will revisit road safety as part of their learning in Personal Development, Health, Physical Education (PDHPE). It is vital that all students have a solid understanding of road safety.

A summary of the content that will be covered is in the flyer below. Please take the time to discuss these messages with your child/children at home.

Key road safety messages

At school, your child will learn about road safety as part of Personal Development, Health and Physical Education.

Help them practice the road safety messages they will learn at school by sharing them whenever you are out and about.

Early childhood	Early Stage 1 & Stage 1 (Kindergarten – Year 2)	Stage 2 (Years 3 & 4)	Stage 3 (Years 5 & 6)
Pedestrian safety			
<ul style="list-style-type: none">• Always hold a grown-up’s hand• When a grown-up’s hand is not available, hold a pram, bag or clothes• Always cross the road with a grown-up	<ul style="list-style-type: none">• Hold a grown-up’s hand when you cross the road	<ul style="list-style-type: none">• <i>Stop! Look! Listen! Think!</i> every time you cross the road	
	<ul style="list-style-type: none">• Hold a grown-up’s hand when you’re on the footpath• Hold a grown-up’s hand when you’re in a car park	<ul style="list-style-type: none">• Use a safe place to cross the road	
Passenger safety			
<ul style="list-style-type: none">• Always buckle up safely• Always stay buckled up – awake or asleep• Always get in and out of the ‘Safety Door’	<ul style="list-style-type: none">• Click, clack, front and back• Always buckle up safely• Get in and out of the car on the footpath side• Wait till the bus has gone and then use a safe place to cross the road		
Safety on wheels			
<ul style="list-style-type: none">• Always wear your helmet when riding your bike or wheeled toy• Always ask a grown-up where it is safe for you to play	<ul style="list-style-type: none">• Always wear a helmet when you ride or skate		
	<ul style="list-style-type: none">• Ride your bike away from the road	<ul style="list-style-type: none">• Ride your bike away from busy roads	

Glebe Public School
OPTIONAL HOMEWORK ASSIGNMENT - TERM 4 2019

Design an Imaginary Creature Project

Open to all students in Kindergarten - Year 6

Design

Design your own imaginary creature. You can use pencil, texta, watercolour, collage, etc.

Write a Description/Profile

Write a description/profile of your animal.

Only one entry per person permitted

Entries close Friday **29th November**.

Please hand in your work to Mr Walker.

If you wish to participate in this project, please see Mr Walker to receive a template.

This project was designed by Jemima, Luoy, Ana and Almudena (Year 5)

Nurturing the Champion Mindset in Every Child

Cutting Edge Pedagogy

Curriculum uniquely developed from the 3 domains of psychology, neuroscience and theatre.

Primary School Readiness

Armed with the Champion Mindset and the love for reading and communicating, our Champs will have the edge in school and life.

Crafted Play
Crafted Play goes beyond the normal free play. The MindChamps-trained educator leads the children's imagination to develop creative and confident life-long learners.

Breakthrough reading & writing programme

Developing the love for reading and building confident communicators, inspired by acclaimed author, Brian Caswell.

Champion Mindset Values and Character Building
Nurturing every child to be confident, to be uniquely themselves and to be the best that they can be.

'The MindChamps Way' Educators Training
Above and beyond the expected regulatory requirements, MindChamps educators undergo initial and on-going extensive training.

Exclusivity
The only early learning institute to nurture the Champion Mindset.

Holistic Approach
Proprietary core and enrichment programmes, specially created by MindChamps.
