

GLEBE MATTERS

Principal's Address

Dear Parents and Carers,

As we come to the end of the 2021 school year, a year that without a doubt presented challenges, I want to reiterate my sincere thanks and appreciation to you all.

There have undoubtedly been times when we have all felt the frustrations and angst of everything that is happening and the associated impacts, but whatever has been thrown at us, we have continued to work in partnership. Although there is still a level of uncertainty about what 2022 will bring, I give you my guarantee that as your Principal, and as a school, we will continue to support whatever is required to ensure our students remain at the heart of our decision making and that they are supported.

I acknowledge our staff for their unwavering commitment throughout this year and I am incredibly proud of what we, as individuals and collectively, have achieved. Even during our most challenging days, the dedication of our staff towards our students and families did not decline; we remained focussed on ensuring that each and every one of our students was supported. Whether this involved driving work and computers to homes at night, organising additional services for families in isolation, exploring ways that we could increase student wellbeing and engagement, or participating in an impromptu dance off at a weekly assembly, our students were always our number one priority.

At this point in time, due to the continued unpredictability of COVID-19, I am unable to provide explicit details of what school operations will look like at the start of Term 1. As always, I will continue to keep you updated as soon as I have information.

To our families who are leaving our school or our community at the end of this year, I wish you all the best for the future and to those who are joining us in 2022, I extend a warm welcome and look forward to working in partnership with you to support your children in their learning journey at Glebe Public School.

I wish you all a wonderful Christmas break spent with family and friends. Please make sure you all take the time to recharge and do the little things that give you joy.
