

GLEBE MATTERS

Principal's Address

Dear Parents and Carers

I hope you have had a lovely week.

It has been a wonderful week of learning at Glebe Public School. I have enjoyed visiting classes this week and engaging with our students and seeing high quality teaching and learning in action. Some of the highlights included the Spelling Mastery Program, participating in Wollemi's science lesson about circuits, being interviewed by a student from Tea Tree class for their data work in maths, and having multiple students visit my office to show me their work.

Breakfast Club

It is great to have our Breakfast Club now running 5 days a week! We are currently looking for volunteers to help prepare and distribute the breakfast, especially on a Thursday morning.. If you are available to volunteer between 8:30am - 8:55am on any morning, please speak to Aunty Wendy, Miss Ryan, or contact the school office.

Have a restful weekend and if there is anything we can do to support you and your family over the coming weeks, please do not hesitate to let us know.

REMINDERS

The Colour Run

Our P&C have organised a Colour Run to raise money for new interactive white boards for the school. This will be held on **TUESDAY THE 22ND OF NOVEMBER**.

Names on Belongings

Please ensure that your child has their name clearly marked on their belongings such as hats, jumpers, drink bottles, and lunch boxes/containers. This makes it much easier for them to be returned should they be lost or misplaced.

Emergency Recess and Lunches

The school has a supply of food for emergency situations should students require them. These are for situations such as a student drops their food. They are not provided for students who do not like what has been packed for them. Please ensure that your child has enough recess and lunch for the day. Should you be in a situation where you need support in providing recess and lunch for your child, we are more than happy to assist and support; however, we ask that you contact the school and have this conversation.

Changes to Pick Up Arrangements

Should the pick up arrangements for your child change during the day, for example, they need to attend Centipede, please let the office know by calling the school before 2:00pm. It is difficult for messages to be passed on to students close to 3:00pm.

PBL

Positive Behaviour for Learning

Next week the PBL focus will be on being a safe, respectful learner at the Big tree.

-PBL Team

Reminder

Don't forget your hat!

As we head into the warmer months, it is important to keep sun safe on the playground.

On time school attendance is vital for students academic and social achievement.

Late Arrivals

Students who arrive after 9:00 am are to go to the school office on arrival and receive a late note. The reason for the late arrival is recorded and the reason must be provided by a parent or carer.

Justified Reasons

On occasion, your child may need to be absent from school. Justified reasons for student absences may include the reasons listed below.

- being sick, or having an infectious disease (Dr certificate may be requested)
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Unjustified Reasons

Unjustified reasons for student absences may include:

- slept in and did not want to go to school
- stayed up late watching TV and was too tired
- couldn't find school uniform or school bag

Travel

Families are strongly encouraged to travel during school holidays. If travel during school term is absolutely necessary, discuss this with Mr Walker. An Application for Extended Leave may need to be completed and approved. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

The key message is: if your child or children are absent from school, regardless of if it is a whole day or a partial day, you **MUST** provide a justified explanation.

As a school, we are streamlining our processes for monitoring student attendance, but I am asking for your support and diligence in undertaking your roles and responsibilities in line with Compulsory School Attendance.

As always, our school is committed to working in partnership with our families to support, promote and sustain regular school attendance. If you have any questions or concerns about your child's attendance or engagement at school, please do not hesitate to speak to us about how we can help.

Minutes lost = days lost per year

A couple of minutes here and there doesn't seem like much, but...
