

GLEBE MATTERS

Principal's Address

Dear Parents and Carers

Welcome back to Glebe Public School for Term 2 2022! I hope that you have an enjoyable holiday break and were able to spend some quality time with family and friends.

It has been an extremely positive and productive week and I have thoroughly enjoyed spending time in all classrooms and reconnecting with our students. To see such engagement, active participation, and general enthusiasm has been incredibly rewarding. One of the additional highlights has been welcoming our students each morning as they walk through the gates.

This week was full of learning and collaboration. Yesterday, the SRC met for their first lunchtime meeting of the term. Miss Pedron and Miss Rush were very impressed by the calibre of the ideas proposed by the students, and we look forward to our 'Have Your Say' day coming up next Friday. We value the perspectives and opinions of our students here at Glebe Public School.

Today was our Cross Country Carnival. The students enjoyed the sun, and it was amazing to see such camaraderie among the houses. Congratulations to the students who will be progressing to the next stage and representing the school at the Zone Cross Country.

Have a restful weekend and if there is anything we can do to support you and your family over the coming weeks, please do not hesitate to let us know.

PBL : Positive Behaviour for Learning

Our focus for weeks one and two is classroom expectations. Our classrooms are any space that we learn in, this may be our main classroom, as well as the music room, library or Grevillea classroom.

Having expectations in the classrooms helps to create a safe and supportive learning environment where all students can learn to their potential. We learn and teach best in orderly environments with clear expectations in place, and where all students and teachers feel valued.

REMINDERS:

Names on Belongings

Please ensure that your child has their name clearly marked on their belongings such as hats, jumpers, drink bottles, and lunch boxes/containers. This makes it much easier for them to be returned should they be lost or misplaced.

Emergency Recess and Lunches

The school has a supply of food for emergency situations should students require them. These are for situations such as a student drops their food. They are not provided for students who do not like what has been packed for them. Please ensure that your child has enough recess and lunch for the day. Should you be in a situation where you need support in providing recess and lunch for your child, we are more than happy to assist and support; however, we ask that you contact the school and have this conversation.

ATTENDANCE!

WHY ATTENDANCE MATTERS

When your child misses school they miss important opportunities to...

It has been great to see an improvement in students arriving by 9:00am each day.

On time school attendance is vital; however, we understand that at times things happen which cannot be controlled and students may be late. Students who arrive after 9:00 am are to go to the school office on arrival and receive a late note. The reason for the late arrival is recorded and we ask that parents/carers please let the school know the reason i.e. 'student attended a medical appointment' etc. When there is no reason provided, the late arrival is recorded as unexplained. Late arrivals are closely monitored by the school executive as part of our attendance procedures.

Please refer to the 'Compulsory School Attendance - information for parents' guidelines from the Department of Education by clicking [here](#)
