

# GLEBE MATTERS

## Principal's Address

Dear Parents and Carers

I hope you have all had a lovely week.

As we come to the end of Term 3, I want to take this opportunity to thank you all for your ongoing support throughout this term. I am incredibly proud of the collaborative partnership between the school and our community, a partnership that puts the needs of your children at the heart of our collective decision making.

I also want to take this opportunity to acknowledge and thank the staff at our school. We have a phenomenal team of professionals who display an unwavering commitment to provide the very best for our students both inside and outside of the school gates.

Over the holiday break, there will be several construction projects undertaken. The fence near Centipede will be replaced, the paving outside the office building will be leveled, additional handball courts will be installed, the basketball markings will be redone, and the initial stages of the fitting of LED lights throughout the school will commence. In addition to this, I am pleased to announce that the process has commenced for the upgrading of the student toilets - this will involve new fixtures, repainting, and the installation of new bubblers.

I wish you a safe and enjoyable holiday break and look forward to seeing you all for the start of Term 4, 2022. Students return on Monday 10 October 2022.

Bryce Walker

# MULTICULTURAL DAY

Thank you so much for contributing to our Multicultural Day at Glebe! It was a great turn out and the students thoroughly enjoyed the activities and information that you shared. We are richer for the experience and your contribution has expanded our understanding of what multiculturalism is in this world.

Thank you!  
Ash Brassington, Emilia West & Danielle Liang

## CENTIPEDE SURVEY

Whether or not you currently use Centipede, please complete this two question survey to help us understand whether Centipede is currently meeting our community's needs.

## FROM THE P&C

The P & C are excited to announce we will be holding a School Colour Run this year! Our Colour Run date will be Tuesday 22nd November. We'll be launching the fundraising first week of Term 4, so make sure to keep your eyes out! We hope you'll support our school and students in fundraising for new classroom interactive whiteboards.

## FROM CENTIPEDE

Centipede (the before and after school care for GPS) are seeking expression of interest for new committee members.

If you are interested, the next annual general meeting will be held at 6pm on Thursday 20th October, 2022 at Centipede.

Childcare will be offered by Centipede if needed.

## KINDERGARTEN 2023

If you have a child who will be enrolling for Kindergarten in 2023 and you have not already informed the school, please do so as soon as possible so that we can provide you with the required enrollment documentation.

## CHANGES TO PICK UP ARRANGEMENTS

Should the pick up arrangements for your child change during the day, for example, they need to attend Centipede, please let the office know by calling the school before 2:00pm. It is difficult for messages to be passed on to students close to 3:00pm.

## NAMES ON BELONGINGS

Please ensure that your child has their name clearly marked on their belongings such as hats, jumpers, drink bottles, and lunch boxes/containers. This makes it much easier for them to be returned should they be lost or misplaced.

## EMERGENCY LUNCH AND RECESS

The school has a supply of food for emergency situations should students require them. They are not provided for students who do not like what has been packed for them. Please ensure that your child has enough recess and lunch for the day. Should you be in a situation where you need support in providing recess and lunch for your child, we are more than happy to assist and support; however, we ask that you contact the school to discuss arrangements.
